

The City Manager serves as the Public Information Officer in the City of Covina. However, contract services provide coordination of the following tools available to the public for information and education about the community.

- City of Covina web site - www.covinaca.gov
- City View magazine, mailed to all addresses in the three Covina zip codes and posted on the web site
- Two Government Access cable channels, Time Warner channel 29 (broadcasting Tuesdays and Thursdays only) and Verizon FIOS channel 42, serving portions of Covina seven days a week.
- Community meetings events and educational programs.

Requests for official public records, should be directed to the [City Clerk](#) 's office.
